Head of School: Karen Lintin

Tarka class learning

We have had a lovely week settling back into routines. The children enjoyed sharing their news from the Christmas holidays and setting some goals for 2025!

In Art this term, we are focussing on collage. Tarka class looked at the artist and illustrator Eric Carle and had a go at replicating one of his collages.

For our English learning, we are reading the poem I Love Bugs! By Emma Dodd. The children enjoyed listening to the poem, discussing the descriptions and learning and performing the poem to their friends.

We looked at how we can use our knowledge of addition to generate subtraction calculations, using a bar model, in maths.

Home Learning

Our topic for this term is **Our Changing World**. In our Geography learning, we started to think about our enquiry question: *How can we persuade people to join us in tackling the causes of global warming?*

For your home learning, find out more about what global warming is and how humans affect Earth. What can we do to help reduce the effects of global warming? Discuss some ideas with adults at home and create a poster.

Reading

Well done to those of you who managed to read 5 times this week! Remember, you can read your guided reading book or a book of your choice. If you are sharing a text (book/magazine/leaflet/poster/recipe/poem) and reading with an adult for 5 minutes or more, this counts as one of your 5 reads!
