Barum class learning

What a great week we've had, a trip to watch the pantomime at Petroc college and making our pizzas in DT. Thank you, parents, for remembering to send in the pizza toppings, we all really enjoyed making our own pizzas and eating them! We evaluated our pizzas, thinking about what part of the process we have enjoyed the most and what we would change if we made another pizza.

In English, we have been poets and have written some amazing Christmas poems. We created our own Christmas themed borders and have written our poems up in neat.

This week we have learnt about the Christian meaning of advent and Christingle we have coloured and labelled the parts of the Christingle orange, and have learnt what each part represents.

Home Learning

Have a restful weekend. Watch a Christmas film or play a game with your family.

Reading

Well done to those of you who managed to read 5 times this week... Prizes were given to the children today, who managed to read 5 times per week for 5 out of the 7 weeks this half term! Keep it up 😊
