Head of School: Karen Lintin

Exmoor Home Learning - 2.10.26

The children have written their INNOVATES for English, and they are amazing, we can't wait to see what they write for their INVENTS. In computing we have been looking at different filming techniques and how to use a storyboard and script to plan a scene. In maths, we have done lots of work and investigations to do with rounding which the children have really enjoyed!

Class notices

PE is on a Thursday, please wear your PE kit.

Home learning:

School council 2-week project

If you would like to represent your class at school council, please make a poster to explaining why you should be our class representative.

Topic

Next Friday (9.10.26) the children will be making their own WW1/WW2 themed board games, if you have any spare cardboard or crafty things at home that they could use for their board game, please send them in with it on Friday.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Please log 5 individual reads on one of the boxes in the reading records, an adult must sign to confirm it has been done. Thank you for your support.
