### **Saunton home learning - 16/5/25**

This week in English the children have been writing our shared story inspired by Cinderella of the Nile. In maths we have learning about fractions and how to find equivalent fractions. In topic, we have been pretending to be stone age people and sharing messages through pictures, and PE the children have continued to develop their basketball skills.

### **Home learning**

Have a go at writing some sentences describing this setting using expanded noun phrases and prepositional phrases like we have been learning in class.

### **Reading**

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

### **Times Tables**

#### **Year 3**

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 times table. If you have done this, please learn and practice your 7 times table.

## Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table.

### Year 4 times table test

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.
