Saunton home learning – 13/11/2026

This week in English we have been learning about noun modification to create descriptions. In maths, we have been learning about multiples and factors. We have also enjoyed a fantastic trip to Tiverton Museum where the children learnt about rationing, evacuation and what air raids would have been like.

Home learning

Please collect and bring in jam jars and pringles tubes for some of our upcoming science experiments.

This will be used by the whole class, so there is no need to name them.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 5 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please use your times table rockstar login and have a go at using it to help practise your times tables.

Reminder- times tables rockstars is deactivated at 8:30pm, this is a restriction set by times table rock stars not the school.
