

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Saunton home learning - 03.10.25

This week in Saunton Class, the children have been exploring different styles of poems and even had a go at performing some of them. In maths, the children have been developing efficient ways to add and subtract certain numbers. In history the children have been studying pirate artefacts and have started to plan their own treasure hunts, like pirates!

Home learning

To support with the map work we have been doing in topic, have a go at make your own compass following the video in the link. I can't wait to hear how you get on!

Reading

Keep up all your fantastic reading, I love seeing you all reading so much each week! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.
