Head of School: Karen Lintin

Saunton home learning - 10/1/25

The children have all been fantastic at settling back into school! This week in English we have been exploring our new text 'how to invent'. In maths, we have started our unit of learning on shape and we have been identifying different types of angles. In topic, we have learnt more about electrical circuits.

Home learning plank challenge

I have put a plank challenge on the class blogs for this week. Have a go at holding the plank position each day and ask someone to time it for you. Challenge yourself to hold the plank position for a longer time each day.

This will help you to build strong core muscles to support you with your swimming and gymnastics learning for this half term.

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

Times Tables

Year 3

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 times table. If you have done this, please learn and practice your 7 times table.

Year 4

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table.
