Head of School: Karen Lintin

Tarka home learning

This week in English, we wrote a shared story following the structure of our text *Daisy Doodles*. We introduced a new imaginary character 'Pippin' and created a class story about their adventure in an imaginary world.

In Maths, learnt about repeating patterns using different 2D shapes. We then created our own repeating patterns to decorate Easter eggs.

In PE we put our skills of dribbling and shooting together to move through some obstacles to be able to score a goal. In RE we learnt and sequenced the main events of the Christian Easter story. We then looked more closely at Good Friday and why it is called that, we decorated paper plates to show the crucifixion in Jerusalem.

Phonics sounds

Our focus for this week was **e-e** (as in Eve), **air** (as in chair), **oo** (as in book and moon), **igh** (as in night) and **ear** (as in hear).

Home learning

Please make an Easter decoration that we can hang in the classroom for the last week of term.

Reading

We expect everyone to be reading for a least five minutes a day.
