Head of School: Karen Lintin

Lundy home learning - 16.01.26

In English this week, we have been getting to know our new text - *Varjak Paw*. In maths, we have begun our fractions, decimals and percentages unit, focussing on equivalent fractions, including simplifying. In geography, we have been locating countries and landmarks using accurate grid references; this was very tricky, but we persevered! In art, we have looked at abstract art and enjoyed letting our creativity shine in this style. We have also loved having our new class pet, Hammy, with us for a whole week now!

Homework

Well done to everyone who has brought in homework! You have done a fabulous job 😊 Your homework this week is to complete the maths sheet on equivalent fractions. Spares can be found in the homework folder if your child misplaces their copy.

TT Rockstars

Please keep practising as much as you can. A new competition is coming soon...

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support.
