## **Tarka class learning**

Tarka Class have been thinking about our school as their safe place for Children's Mental Health Week. They created a class map of our school and added the staff members who help them. The children also drew and labelled people and places that make them feel safe outside of school. Find out more about Children's Mental Health week here: [Place2Be's Children's Mental Health Week - Official site](#)

This week Miss Seward has taught the year 1 children all about Judaism. They enjoyed exploring lots of special items that Jewish people use to celebrate festivals and remind them of their faith. See what your child can remember!

Year 2 have been authors of their own book This Is How I Do It. They worked hard to remember the writing skills we have been working on over the last few weeks.

In maths, we learnt about measuring volume and capacity. The children enjoyed using different containers and water to find out how many spoons of water it took to fill them. Year 2 compared volume and capacity.

## **Home Learning Task:**

To celebrate National Storytelling Week, Year 1 and 2 participated in an interactive workshop by the author Annemarie Anang. They had fun creating sounds with their voices and body percussion to match the feelings of the character in the story. You might want to watch again at home.
