

### 12.09.25

Our topic this week is 'All about me!'. We have welcomed lots of new children to pre-school who have been settling in. This week we have read books such as 'You Choose', 'I'm starting nursery' and 'This is the way we go to school'.

## Activities/provision this week:

- All about me playdough The children helped to make playdough this week. They played with Mini people and houses.
- Small world dolls house- The children played with familiar characters such as, Peppa pig, hey duggee, Disney princesses etc.
- Construction The children played with Duplo and made their own house.
- Home corner role play The children pretended to cook with our toy kitchen and look after the babies.
- Craft area The children made pictures of their house using cut out shapes.
- Mark making The children painted self-portraits and painted using different sponges.
- We decorated pancakes using a variety of fruit toppings to make a face.
- Colour mixing The children experimented with colour mixing using pipette and coloured water.
- Playing with shapes We drew around 2D shapes and matched the shapes to the outline.
- The children practised recognising their names. They tried to find the magnetic letters to make their own name.
- Sharing family photos At circle time the children shared their family photos and talked about who they live with.

#### Phonics: Instrumental sounds

This term our phonics focus is instrumental sounds! We will be experimenting playing with a variety of instruments. We will practice playing the instruments loud, quiet, fast, slow etc.

## Maths: Sorting

We have been learning to sort objects into different groups and describe them e.g. sort by shape, colour or size.

# Important information

- Send in any WOW moments for the children or photos of experiences to <a href="mailto:pre-school@bishopstawton-primary.org">pre-school@bishopstawton-primary.org</a>.
- Blog photos will be uploaded every two weeks for parents/carers to view.
- Please can parents/carers send in baby photos of the children for a circle time activity next week.
