Head of School: Karen Lintin

## **Saunton Home Learning - 6.2.26**

This week the children, have been exploring our new English text called 'I am not a label'. In maths, we have been practically investigating different shapes and sorting them by their properties. In science, we have been learning about how light reflects off a surface. During PE, the children have been learning the Haka and developing their own versions.

## **Home learning:**

### **Reading**

Continue to read and log your reads on Boomreader! The whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

### **Internet Safety**

Design your own Internet safety superhero, think about what powers they would have, what costume they would wear and how they would help people with internet safety.

### **Time tables**

The year 4 times table screening is fast approaching so please make sure you are getting your practice in using the website below, that is similar to the times table test, alongside times table rockstars.

[Multiplication Tables Check - 2025 - Timestables.co.uk](https://www.timestables.co.uk)

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.
