Tarka class learning

In maths this week the children have been investigating mass. The year 1s have been comparing objects with the balance scales to find which is heavier and lighter and exploring how many cubes different objects weigh. Year 2s have been using gram weights to measure and order the mass of different objects from the heaviest to the lightest and helped Leanne measure and weigh ingredients to make playdough.

In art, we have looked at self-portraits by the artist David Hockney and the children discussed what they liked and disliked about the artwork and what they noticed about how the portraits were created. One of the self-portraits had been created using an iPad and the children started to draw their own self-portrait using the iPads.

In geography, the year 2 children have been re-calling facts about the four countries of the United Kingdom and using them to write their own mini book 'all about the UK.' The year 1's have finding out about the flags and national flowers of each of the UK countries.

Home learning:

What signs of Autumn can you see where you live? Maybe you can see the leaves changing colour, apples on trees, acorns on the floor or a pumpkin in the supermarket! Create a picture or poster showing the signs of Autumn you have spotted.

Year 2s - practise spelling: beautiful, children, everybody, people, parents

Year 1s - practise spelling: said, are, they
