

Parent Forum Minutes 17th July 2024

In attendance:

Mrs Lintin
Mrs Clark
J Knight
L Knight
K Quirk
M Doak
S Foster

Apologies:

S Bale

Agenda:

Reading at home:

KL shared that the uptake and recording of reading at home has significantly dropped this year. BTS are moving back to having homework books with a reading log in the book for parents to sign.

Parents suggested a different incentive for KS1 to KS2.

More clarity over when the due date was for homework was requested

Relational behaviour policy:

Mrs Clark outlined the policy for parents and shared the steps with actions sections.

Parents asked about a colour system that could support the youngest children. School currently used an emotional regulation colour display to enable all children to identify where they may be if becoming dysregulated.

Parent asked about consequences for children once all steps had been gone through. KL stated that the additional parts of the policy has actions that may need to be taken by SLT if a more serious incident were to occur.

Next meeting: Wednesday 2nd October at 2.30
