Saunton home learning - 19.6.26

This week in English we have been we have been developing our understanding of multi-clause sentence. In maths, we have been learning about equivalent fractions and adding and subtracting fractions with the same denominator. In history, we have been exploring the ancient Mayan city of Chichen Itza and in computing we have been learning to use audio editing software.

Home learning

To celebrate the world cup, pick a country that is competing and find out five facts about life in the country.

It can't be England

Reading

Hopefully, all children have now given you their homework login booklets, with their Boom Reader details inside. It has been lovely to see that some children are already customising their avatars and are logging their reading! The whole school expectation is that parents support their child to practising reading at home at least 4 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please make sure you are practicing your timetables on times table rockstars for at least 5 minutes a day.

Book Bingo

A book with more than **100 pages**

A book more than **50** years old

A book set in a different country
