Head of School: Karen Lintin

### Saunton home learning - 17/1/25

This week the children have been exploring the use of fronted adverbials in our new text. In maths we have continue to explore shapes. In science, we have started our new unit on states of matter and have explored different ways to represent solids, liquids and gases.

### Home learning my maths

Please complete the my maths homework I have set for you.

### Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

### Times Tables

#### **Year 3**

After our test, if you didn't get 12/12 please continue practising your 4 times table. If you did get 12/12, move onto practising your 3 times tables ready for our next test, if you have learnt this please practise your 6 times table. If you got all your 6 times table right, please practice your 8 and 7 times tables. If you have done this, please learn and practice your 9 times table.

#### **Year 4**

After our test, if you didn't get 12/12 please continue practising your 6 times table. If you did get 12/12, move onto your 7 times table, then your 8 times table and then your 9 times table. If you completed this, please learn and practice your 12 times table.
