

Home Learning - Week 23

This week we have focussed on Spring Flowers and Mother's day.

This week we have...

- Created and written beautiful cards to give to our Mum's or someone who is special to us.
- Imagined what might be at the top of our magic beanstalk and have written sentences to describe it.
- Observed how our beans and giant cress heads are growing and changing,
- In Maths we have learnt to compare capacity and mass using words such as full, empty, nearly full, nearly empty, heavy, heaviest, heavier, light, lighter, lightest.
- In Letters and sounds we have focused on the sounds oo oo or, oi and have been reading and writing longer ccvc and cvcc words using these sounds.

Home Learning Task:

Do something kind and helpful for someone special to you. Be prepared to tell us all about this in class during snack times next week. What did you do? How did it make you feel? How did it make the other person feel?
