

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Lundy home learning - 21.11.25

This week, we have been writing our class non-fiction text about the banana slug. The children have really impressed us with their language and determination to use tricky skills. In maths, we have been mastering using the written multiplication method and have begun investigating factors and multiples. In science, we learned about the impact of drugs on the human body. In R&W, we found out about Jewish symbols and what these represent.

Homework

Your homework is to investigate some current news stories (CBBC newsround is a good place to start) and summarise one news story that interests you.

TT Rockstars

We have a new competition! Please keep practising as much as you can.

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support.
