Tarka class learning

The children enjoyed singing and going to church for our Harvest Festival this week, we hope you enjoyed it too. Thank you for all your food donations and for your help walking to and from church.

In maths, the year 1s have been ordering numbers up to 20 and thinking about the smallest number and the greatest / largest number. The year 2s have been partitioning 2-digit numbers into tens and ones and using their knowledge of place value to order numbers up to 100. In English this week the children have created a story map for Miss Muffet's letter and added actions.

In our independent exploring areas this week, the children have been doing observational sketches of harvest fruit and vegetables using watercolours and pencil crayons to colour their work. They have been making autumn themed repeating patterns with conkers, acorns, leaves and sticks and have been creating stories with dinosaurs and loose parts in the small world.

Home learning:

School council 2-week project

If you would like to represent your class at school council, please make a poster to explaining why you should be our class representative.

Yr1 - please practise ordering numbers **up to 20** using this link [Coconut Ordering - Comparing Numbers, Prices, Mass, Length and Capacity - Topmarks](#)

Yr2 - please practise place value using this link [Place Value Basketball - Dienes Game for 5 to 8 Year Olds - Topmarks](#) (numbers up to 99)
