Head of School: Karen Lintin

Barum home learning

We had a fantastic start to our week with a visit from Beth from Past Presents, everyone looked brilliant in their Victorian costumes. We had the chance to experience the types of jobs Victorian children would have done, we played with some Victorian toys and to finish off our day we all went to a Victorian school, we thought it was very strict! It was such a valuable learning experience to get us started on our History topic. In History this week, we made some fantastic concertina fact files about Queen Victoria, using some of the facts we had remembered from our Victorian day.

This week in English we have re-capped how to use time connectives to write a recount, we learnt about past progressive verbs and used them to write sentences about the activities we experienced during our Victorian day.

In Maths, we have been learning about collecting, presenting and interpreting data. First we used tally charts to collect data, which we then presented in simple tables and block diagrams.

Home Learning

In preparation for our world book day celebrations on 7th March, please decorate a wooden spoon as your favourite book character to enter into our school wide competition.

PE

Our main PE day is now on **Thursday**, please could the children come to school in their PE kits on **Thursdays**. For safety reasons, if your child wears earrings please remove them for school on Thursdays, if they cannot be removed please cover the earrings with tape before coming to school.

Reading

We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.
