Head of School: Karen Lintin

## **Exmoor home learning - 13/12/24**

We have had a good week exploring shapes and learning about different types of angles. In English we completed some work on the past progressive and went onto to write our Innovates; all the children did a wonderful job of this and should be very proud of themselves. In science, we created our very own switches and created a circuit where we lit up a reindeer's nose.

## **Home learning**

### **Reading Advent**

Continue with your reading advent.

### **Reading**

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

### **Times Tables**

Year 4 - We have set you a task to complete 20 minutes on TTRS.

Year 5 - We have set up a TTRS competition for you to complete.
