Head of School: Karen Lintin

Barum home learning

This week in English we have written some great letters to Exmoor Zoo, asking questions we would like to find out about when we visit after half term.

In Maths this week we have finished our unit, learning to tell the time. We have been practicing telling the time to the hour, half past, quarter past and quarter to and this week we have learnt to tell the time using 5 minute increments.

In Geography, we have learnt the names of the five oceans and have practised to locate them on an atlas and a globe.

This week in DT the children were very excited to make and taste their smoothies, everyone did a great job and thoroughly enjoyed them.

PE - Our main PE day is on **Thursday**. Please could the children wear their PE kit on Thursday. For safety reasons, if your child wears earrings please remove them for school on Thursdays, if they cannot be removed please cover the earrings with tape before coming to school.

Home learning - Please keep up the reading and have a fantastic half term with your families and enjoy some well-earned rest.

We look forward to welcoming you all back after half term and hearing about all the lovely things you have done.
