Head of School: Karen Lintin

Lundy home learning

Y6 children have had a super week of learning and revising key facts and skills - I am very proud of how they have applied themselves to this. Y5 children have been focusing on time problems again. In English, we have been continuing our story writing. We have been learning about life in Ancient Greece, focusing mainly on children. We have begun designing a bag - our next step is to make a prototype out of paper to check size.

SATS week is next week so please have a relaxing weekend and try to get a good nights sleep on Sunday.

Y5 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

RUN Barnstaple challenge - please continue with this!

The organisers of the Barnstaple Marathon have set a challenge to all of the schools in the Barnstaple area:

'We're calling on all young champions to embrace our RUN Barnstaple challenge - to run or walk 12 miles leading up to Sunday 29 September. Whether it's a mile a day, a week or a month, every step counts towards making a difference. This challenge culminates in the fun final mile on Sunday 29 September, alongside the final miles of the RUN Barnstaple Marathon, Half Marathon, and 10k races.'

Mrs Hughes' Challenge - Can you walk 12 miles before the end of May?

Please have a go at doing as many miles as you can and take some pictures to bring in to school.

Revise your 7 times tables - test next week, with division facts!
