## Tarka class learning

It was lovely to welcome everyone back and the children enjoyed sharing their Easter holiday news and pictures. We read and created a story map of our new English text, *How to Wash a Woolly Mammoth*. Tarka class wrote about their likes/dislikes of the book.

In maths, year 1 children have worked on creating equal groups. Year 2s have learnt how to use the division symbol and divide by grouping and sharing.

Year 1 enjoyed being scientists, observing and identifying plants around our school grounds. They sketched and labelled what we saw, as well as labelling parts of a flowering plant. Year 2 had fun at forest school, observing and describing the similarities and differences between leaves.

We discussed our topic for this term, *Carnival*. The children used bright colours to create a topic book cover, inspired by the costumes of the Rio Carnival in Brazil.

Year 2 had an active morning at Tarka Tennis on Wednesday. We were very proud of how they all represented the school and the effort they put into the activities.

## Home Learning Task:

For home learning this week we would like everyone to practise reciting and ordering the days of the week and the months of the year.

With a grown up helping, click on this link to practise recognising multiples of 2, 5 and 10 (and multiples of 3 for year 2s).
