

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Barum home learning

This week in English we used the subordinating conjunction 'but' to extend our sentences and we planned our shared write about a lion who'd lost his roar.

In Maths, we ordered and compared the mass of objects using the language 'lighter than' and 'heavier than' and measured mass using grams and kilograms.

In Geography, we have been re-capping the four seasons; we have learnt which months fall into each season and what type of weather to expect in each season.

In ICT we have enjoyed taking photographs with the iPad's, we have explored when it is best to use portrait or a landscape and have discussed what makes a good picture, thinking about the background and the subject. In Art, we practised painting leaves using a colour mixing technique called dipping.

Home Learning

This week's homework is to complete the bee kindness sheet which you will find in your reading folder. Once you have completed it, please bring it into school to discuss in your PSHE lesson.

PE

Our main PE day is now on **Thursday**, please could the children come to school in their PE kits on **Thursdays**.

Reading

We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.
