## **Exmoor Home Learning - 16.5.25**

This week, the children have enjoyed rewriting the story: Ug, Boy Genius of the Stone Age in a narrative style and are excited to plan their own version of the story for their INVENT. In maths, we have continued working on finding fractions of amounts and working on our times tables. The children enjoyed finding 'artefacts' around the school from the stone age and then communicating with pictures like Stone Age people did through cave paintings.

### **Home learning:**

#### **Reading**

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

#### **Maths - Year 4**

The year 4 times table test is fast approaching, in anticipation of this please practice as much as you can on the website below. It is very similar to how the actual test works.

Multiplication Tables Check - 2025 - [Timestables.co.uk](https://www.timestables.co.uk)

#### **Maths - Year 5**

Please complete the My Maths Homework I have set you.
