Tarka home learning

We've had a fantastic week!

On Tuesday, we went to the village hall to watch the company Boo to a Goose perform their play 'Storm in a Teapot'. We loved joining in with creating their story and dancing along to the songs.

In English, we recapped what was needed when writing a question. We then planned together a new reply to help solve a problem for My Fair Lady crossing London Bridge.

In Maths, we practiced our number bonds to 10 and 20 playing [Hit the Button](#), trying to beat our score each day. We then learnt about fact families for the number bonds that we know, writing inverse number sentences.

On Monday it was World Earth Day. We spoke about how we can look after the planet and why this is important. In DT this half term we will be making smoothies. This week we tasted lots of different fruits and sorted them by like and dislike to help us decide what to include in our smoothies. In ICT, we helped Mother Goose to find her teddy by typing a description of the bear.

For next week only, PE will be on **Wednesday** instead of Monday. Please could the children wear their PE kit on Wednesday not Monday.

Phonics sounds

Our focus for this week was different spelling of the same sound **u/ou/oul** (as in put, book and could) and **v/ve** (as in van and have). We have also been practicing reading tricky words.

Home learning

To recap our maths learning for this week, have a go at these online games.

[Hit the Button](#)

[Post Sorting - 5-10 year olds - Topmarks](#)

[Subtraction Fruit Splat Game - 7 levels - Math Game \(sheppardsoftware.com\)](#)

Reading

We expect everyone to be reading for a least five minutes a day.
