Head of School: Karen Lintin

### **Lundy home learning - 23.01.26**

This week, we enjoyed going to North Devon College to learn about lunar rocks and meteorites. In computing, we have been learning how to stay safe, focussing on making friends and sharing images online. We had a visit from the police to help us to understand why it is important to be safe online. The RNLI also visited us this week and did an assembly to help us learn how to be safe in the sea. In English, we practised punctuating direct speech. In maths, we have been adding and subtracting fractions.

### **Homework**

Well done to everyone who has brought in homework again! This week's homework is to practise using inverted commas for speech.

The school has purchased 10-minute SATs booster booklets for reading, maths and SPaG (spelling, punctuation and grammar) for all year 6 children; these will be coming home very soon. Tasks from these will be set for homework as of next week.

### **TT Rockstars**

Please keep practising as much as you can. A new competition is coming soon...

### **Reading reminder**

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support.
