

Home Learning - Week 22

This week we have continued our learning based on the story Jack and the Beanstalk. We have ...

- Investigated what plants need to help them grow. We placed white carnations in coloured water and are waiting to see what happens to them.
- Designed our own magical bean packets and found ways of attaching them so that the beans do not fall out.
- Used the computer to draw a picture of our own 'dream' magical beanstalk and learnt how to change the colour and size of the paint brush.
- Learnt to share and group objects and investigated which numbers can be halved equally.
- Thought of words to describe the giant and have written a Wanted Poster.
- Created flower collages using a variety of materials such as buttons, coloured paper, cake cases, sequins etc.
- We have learnt the last Phase 3 sounds this week, some of them were trigraphs – air, ear, ure, er.

Notes/Reminders:

PE – PE will be on Monday, don't forget to wear your PE Kit to school.

10 Minute Parent consultations are taking place on Tuesday 13th March and Thursday 16th March. Please speak to a member of EYFS staff to sign up for an appointment on the 'sign up' sheet.

Woolley animals – Remember to book online if you would like your child to attend the Woolley Animals trip. We are in need of one more parent helper. Please let us know if you are able to help.

Home Learning Task:

We have now learnt all of the Phase 3 sounds. We will now be focussing on using them in our reading and writing and reading and spelling longer words containing these sounds. Practise the sounds we have learnt by playing [the Phoneme Pop Game](#).

There are lots of Spring Flowers that are now blooming. See if you can spot any and draw them in your home learning book. For example, snow drop, crocus, daffodil, tulips.

Have a lovely weekend, Mrs Clark, Mrs Paul and Cheryl.
