

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Saunton home learning - 25/9/2026

This week in English we have been writing our shared write together inspired by 'Ratpunzel'. In maths, we have been learning to round numbers to up and down to the nearest 10. In science, we have been learning about how we can change liquids to solids by making butter. In history, we have been learning about what life was like in the trenches in World War 1.

Home learning

School council 2-week project

If you would like to represent your class at school council, please make a poster to explaining why you should be our class representative.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 5 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please use your times table rockstar login and have a go at using it to help practise your times tables.

Miss Sobey and I have set up a competition on TTRS between year 4 and 6. Let's see which class practices the most this week.
