Tarka class learning

Tarka class have practiced resilience and patience to finish their cushions in DT this week. Year 2 evaluated their design and final product. Year 1 commented on what they liked about the cushion and what they might add or change to make it even better!

In maths, year 1 have been counting in 10s and 5s. Year 2 have focussed on counting in 3s and used arrays to write repeated addition and multiplication sentences. The children have solved problems using their knowledge of 2s, 3s, 5s and 10s.

Everyone wrote a recipe for making chocolate cornflake cakes. We had a visit from Hammy the hamster, the year 6 pet. Tarka class wrote instructions on how to look after Hammy. This will help to inform our next English sequence.

Year 2 parent/carers

Reminder for year 2 parents: forest school will be happening on Monday afternoons next half term. The first session will be on the Monday 20th April.

Home Learning Task:

Year 2 - keep practising counting 2s, 3s, 5s and 10s. See if you can spot any arrays at home or when you're out and about e.g. eggs in egg boxes, squares on chocolate bars.

Year 1 - practise counting in 2s, 5s and 10s.

Everyone: using your neatest handwriting, write some news about your Easter to share with the class after the holiday.

Keep up all your fantastic reading!
