Head of School: Karen Lintin

Lundy home learning - 13.03.26

This week, we had a transition visit from Park School - the children who will be attending Park were excited to hear all about their secondary school. In English, we wrote a fantastic shared piece using a formal voice. In maths, we enjoyed playing a negative numbers game. In geography, we finished our leaflets about our case study location, the River Nile. In PSHE, we learned about in-app purchases.

Homework

Thank you year 6s for embracing the challenge of our SATs buster booklets! As we go through these each week on a Friday morning, please bring your books in each Thursday so that they are ready & you have one more evening if you forget! This week, we are on:

- SPAG: Set B, Test 3
- Reading: Set B, Test 1
- Maths: Set B, Test 2

Times Tables

Some children are finding it tricky to recall their tables facts, and this is making it difficult for them to solve fractions problems. Please could you help them to practise these - they could use:

- TT Rockstars
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support. I have given the logins for this app to all children who had previously lost their login.

PE day

Our PE day is now Friday.
