

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Barum home learning

In English, we have started our new text, 'Penguins' by Emily Bone. In this sequence we will be learning to write an information text using present tense verbs, subordinating and coordinating conjunctions. This week we have looked at the layout of information pages and practiced writing sentences using verbs and conjunctions.

In Science, we discussed what local habitats we have in North Devon and made a home for a hedgehog thinking about what it would need in its habitat. We then explored an ocean habitat.

This week in RE, we talked about special places and what makes them special. We drew pictures of the places that our special to us and wrote why they are special and how they make us feel.

PE - This week our PE day will be on **Tuesday** as it is sports day. Please could the children wear their PE kit on Tuesday. For safety reasons, if your child wears earrings please remove them for school on Tuesday, if they cannot be removed please cover the earrings with tape before coming to school.

Home learning - To support our learning in Science, please have a go at making a habitat in a box, this home will be for two weeks. Please see some examples below.

Reading - We expect everyone to be reading at home at least five times a week. Reading journals and books must be brought into school every day for reading in class.
