Exmoor Home Learning - 27.6.25

Well done to all the children for taking part in Sports Day, we hope you all enjoyed yourselves! We were all very proud of the great sportsmanship you showed! This week we have enjoyed splitting into our year groups to do our next sequence in English. In maths, we have been focusing on equivalent fractions and decimals, the children have all worked very hard on this. The children enjoyed designing their own quiche that they will be making in the coming weeks, which they are very excited about!

Home learning:

Spelling

Please practise the relevant spellings for your year group, ready for a test next week.

Year 4: <ul style="list-style-type: none">• favourite• different• imagine• therefore	Year 5: <ul style="list-style-type: none">• environment• familiar• foreign• temperature• physical• sacrifice• parliament
---	--

Reading

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.
