

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Saunton home learning - 16/10/2026

This week in English we have been writing our own shared poem inspired by our text 'a river'. In maths, we have been learning to use column addition to solve problems that involve carrying. In science, we have been learning about the water cycle. In computing we have been using our editing skills to make our own images.

Home learning

History

As part of our World War 1 learning please research how our local area was affected during this time. Please find at least three different facts about this.

Reading

The whole school expectation is that parents support their child to practising reading at home at least 5 times per week. This could be 5-10 minutes of reading, five times across the week. Thank you for your support.

Time tables

Please use your times table rockstar login and have a go at using it to help practise your times tables.

Mrs Lintin and I have set up a competition on TTRS between year 3 and 4. Let's see which class practices the most this week.

Reminder- times tables rockstars is deactivated at 7pm, this is a restriction set by times table rock stars not the school.
