Head of School: Karen Lintin

Reading

Well done to those of you who managed to read 5 times this week! Can you read your guided reading book to a sibling/cousin/friend and try to use your best story telling voice? You could practice by reading to your teddies/toys.

Barum class learning

This week in English we have looked how the verbs are written in an biography and have practised changing present tense verbs into past tense verbs. We have been using subordinating conjunctions 'when' and 'as' to start our sentences and to join clauses.

In Maths, we have been learning to recognise and find a third of shapes and amounts. We have also re-capped o'clock, half past, quarter past and quarter to. Next, we will be learning to tell the time using the 5-minute intervals.

In Geography, we have been learning to name and locate the five oceans and seven continents, we have also been finding out some facts about each continent and ocean.

Home Learning

In preparation for writing our independent biography writing, please can you find out some facts about a famous person of their choice.

In addition, to prepare for Sports Day on Thursday, please discuss what it means to be a 'good sport' and show sportsmanship. Conversations could include: the importance of cheering others on, congratulating winners, understanding that winning and losing are both parts of competition and sport, respecting decisions made by adults.

We look forward to seeing you at 1.45pm on Thursday 26th for our Key Stage 1 Sports

Information

Please wear your PE kit to school on Monday for our PE lesson and also on Thursday for our Sports Day.
