Head of School: Karen Lintin

### Lundy home learning

Y6 had a super day at the Athletics Festival on Wednesday. The Y6 children have been practicing hard for their leavers' assembly.

Y5 children have been completing their bags in DT. Also, they have been learning about mountains - how they are formed and about mountains in the UK and around the world. They have also completed their written work about an important event and have been developing their multiplication skills. In music, the children have listened to music by Karl Orff, and have been composing their own pieces based on this.

Next week is art week - remember your old T-shirt to protect your clothes.

**Y6 Please remember there is swimming on Monday. Please come to school wearing your normal uniform.**

**Y6 Leavers' Assembly Thursday 2pm**

### Y5 & 6 Home Learning

#### Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

#### Y5 and Y6

**Revise your 6 times table, especially focusing on related division facts e.g. how many 6's in 36?**

#### Prepare for Art Week

Draw some buildings - this could be buildings you can see from your house; it could even be your house! Or you could find a picture of a favourite building and draw that.

My favourite building is the Sydney Harbour Opera House - take a look online. What is your favourite building?
