Lundy home learning - 28.11.25

This week, our class have amazed us with their wonderful and whacky non-fiction texts about lesser spotted animals. They produced mixed media art to go with their writing; their finished pieces are looking fabulous! In maths, we have become much more confident in dividing by a 1 digit number and have now moved on to 2 digit numbers. In DT, we have begun investigating different chutneys and are starting to plan our own. Please could everyone send in a glass jar for their child's chutney by Monday 8th December.

Homework

Your homework is to create a Christmas tree decoration for our classroom - you have two weeks to complete this.

TT Rockstars

We have a new competition! Please keep practising as much as you can.

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged on the Boom Reader app or website. Thank you for your support.
