

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Lundy Class

In English, we have been writing instructions for a science experiment - trying to use as many different types of punctuation as possible. The children really enjoyed seeing the cola and mentos experiment. In maths, we have been going over some basic skills and investigating Magic Matrices. We have listened to 'Toccata and Fugue' by Bach, creating a graphic score to represent the opening minute. In art, we have been learning about William Morris and trying to reproduce one of his designs.

Y5 and Y6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression) or talk to your adult about what you have read.

World Ocean Day

Find out about an endangered animal of the ocean. Create a fact file or a poster about this animal.

Here are some websites that may be helpful:
