

Home Learning - Week 9

We hope you all had a fun filled half term, we have loved hearing about the exciting things that you got up to, thank you to all of the children who emailed photos for us to look at and brought in pictures, objects to talk to us about. This week we have continued our theme of Autumn and have learnt about Fireworks and Bonfire Night.

This week we have...

- Drawn a picture of what we did at half term and tried to label it.
- Recapped all of the sounds that we learnt before half term, practised reading and spelling words using them.
- Created firework pictures by printing and mark making using pastels.
- Enjoyed creating firework dancing using ribbons and streamers.
- Thought carefully about how to keep safe on Bonfire Night.
- Use junk modelling and collage materials to create our own fireworks and sparklers. We thought carefully about different ways of attaching the materials so bits don't fall off!
- Learnt to read, write, recognise, count and partition numbers 7 and 8.

Notes/Reminders:

Don't forget to wear your PE kit on Tuesday

Open Day - Do you have a child who is due to start school or pre-school in September 2026, you are welcome to come our school open day on Thursday 20th November 2-3pm.

Home Learning Task:

- Practise writing the letter e. Remember to start in the middle, it's really tricky. Here is a link to a pen disco that might help you.

- Wow, we have been so impressed by how many of you are reading your reading books regularly at home, thank you so much to all of the parents who are supporting with this.
- Next week we will be exploring Light and Dark, please could all children bring in a **one pint empty plastic milk bottle** (if you have more than one please could you bring an extra you have just in case we don't have enough).

Have a lovely weekend, Mrs Clark, Mrs Paul and Cheryl.
