

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

Lundy home learning

This week the children have been super motivated to edit, improve and publish their non-fiction texts - I am so proud of how they have applied themselves to this. In maths we have been working on comparison of measures and problem solving. We have been organising our musical compositions into a whole class piece of music and completing our art work.

Y5 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Maths

Continue to learn/revise your 7, 8 and 9 times tables and link to division facts e.g. $7 \times 8 = 56$ $56 \div 7 = 8$. There will be more division questions this week!

Y5 and Y6 Home Learning

Create a piece of art work that represents Easter - it can be in any media (pencil, paint collage etc) using any of your skills.

Y6 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression), or talk to your adult about what you have read.

Continue to learn/revise your 7, 8 and 9 times tables including linked division facts!

Complete the following pages of your SATs books:

English Comprehension - pages 24 and 25

Maths Reasoning - pages 14 and 40

Arithmetic - pages 23 and 34

Grammar, Punctuation and Spelling - pages 43 and 44

Keep going with the home learning - you are stars!
