

Home Learning - Week 25

We can hardly believe that the children have completed their second term in Codden Class, time is just whizzing past. This week we have continued to learn about how people Celebrate Easter. We have...

- Talked about how we celebrate Easter at home and have learnt about why Easter is special to Christians.
- We listened and followed instructions to make chocolate Easter Nests.
- Learn to cut and fold paper to make an Easter Bunny Basket.
- We have continued to make observations how our seeds are growing and have noticed what is changing.
- In Maths the children learnt about time, the days of the week and ordering events in their daily lives.
- Developed our balance and coordination whilst taking part in our Easter Egg and Spoon Race.
- Created and written some wonderful Easter cards.
- In Letters and Sounds we have recapped the sounds that we have learnt so far and have been working hard to write captions using what we know.

Home Learning Task:

Keep practising your letters and sounds and reading your reading book over the Easter Holidays!

Draw and label a picture of how your family celebrated Easter ready to talk about when we return to school after the holidays.

When we return to school after the Easter holidays we will be learning about minibeasts. We would like to make some Bug Hotels. Please could you collect and bring into school... cardboard tubes, sticks, bamboo canes, little stones, pine cones etc.

Notes/Reminders:

Sun Hats/Cream - Please could all children bring in a clearly named sun hat and sun cream which can be kept in school for the Summer Term. (In the past we have found the roll on suncreams the most easy for children to apply.)

Wishing you a fun filled Easter break,

Ms Burnell, Mrs Paul and Cheryl.
