

Executive Head Teacher: Melanie Smallwood

Head of School: Karen Lintin

## **Exmoor Home Learning - 23.5.25**

We have had a great final week at school, the children have done a fantastic job at writing their own stories about a stone age character who enjoyed inventing, as well as creating a comic strip based on their story in the style of this sequence's book; Ug Boy Genius of the Stone Age. In maths, the year 5's have been doing lots of investigative activities on fractions and the year 4's have been working hard on their times tables practise. The children who went to the Aquathon had a fantastic time and we are very proud of how well they all did!

We hope you have a wonderful break and look forward to seeing you in 2 weeks!

### **Home learning:**

#### **Reading**

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.

#### **Maths - Year 4**

The year 4 times table test is happening the first week back after half term, please continue to practice as much as you can on the website below. It is very similar to how the actual test works.

Multiplication Tables Check - 2025 - [Timestables.co.uk](https://www.timestables.co.uk)

#### **Maths - Year 5**

Continue to practise your times tables to support your mathematical understanding.
