Tarka class learning

In English this week the children wrote letters to Mother Goose, telling her their 'problem' and asking for advice. We focussed on using full stops and question marks in the right places. Tarka class were excited to make 'tea and biscuits' for Mother Goose, using our creative area continuous provision.

In maths, the year 1s have been counting and identifying teen numbers and using maths equipment to explore the place value of teen numbers. The year 2s have been counting in tens from any number, talking about the patterns they see and understanding the difference between teen numbers and ty numbers.

We have been discussing hand washing in PSHCE this week and thinking about why we wash our hands and when it's a good time to wash our hands. The children created posters to show how to wash your hands well.

The children have been busy preparing for our Harvest festival next week; singing songs and writing poems to share with you at church next Thursday. Our harvest festival begins at 9am. If any parents are available to help walk the children to and from the church, we would be extremely grateful.

Home learning:

Please practise the words for our harvest festival songs Mr. Scarecrow and The Sun Came Shining Down. The words can be found in the home learning section on the website.

Yr1 - please practise counting to 20 forwards and backwards. Can you count beyond 20?

Yr2 - please practise counting in tens from any number e.g. 5, 25, 35, 45... (up to 100).
