### **Saunton home learning - 4/7/25**

This week in English we have learning about the skill the author used to make our text, the book of bones, interesting. In maths, have been learning about parallel and perpendicular lines. In topic, we have been learning about the ancient stone age village of Skara Brae.

#### **Home learning**

##### **English**

##### **Year 3**

Research an animal you might like to write about for your invent piece of writing inspired by the book of bones. Make sure you find out what makes it special, like we did when we wrote about the cheetah.

##### **Year 4**

Research an environment that you might like to write your own survival guide about, like your text how to live like a stone age hunter.

#### **Times tables**

Please continue to practice all of your timetables on times table rockstars

#### **Reading**

We expect everyone to be reading at least five times a week. Please see the front of your home learning book for the expectations.
