Head of School: Karen Lintin

Tarka home learning

This week in English, we finished our sequence on *Daisy Doodles*. We created our own stories about imaginary friends going on an adventure together, trying to use describing words and the word 'and'.

In Maths, we did a 3D shape hunt around the classroom. We then learnt about position and direction. We used Beebots to move around a map, giving instructions using the new language we had learnt including forward/backward and left/right.

In PE we put our skills of dribbling and shooting together to move through some obstacles to be able to score a goal. On Monday we also learnt about Holi festival and how this is celebrated. In RE we thought about the Christian symbols of Easter and which part of the Easter story they represent. Finally we made some patterned Easter cards.

Phonics sounds

Our focus for this week was **b** and **d**, **au** (as in Autumn) **ou** (as in loud).

Reading

We expect everyone to be reading for a least five minutes a day.

Enjoy a lovely Easter break, I look forward to seeing everyone in the summer term!
