

Mr Scarecrow

Don't go pecking in the cornfield,
Don't go pecking in the cornfield,
Don't go pecking in the cornfield,
'Cause Mr Scarecrow's there!

Mister Scarecrow, Mister Scarecrow,
Mister Scarecrow is waiting for you.
Mister Scarecrow, Mister Scarecrow,
Mister Scarecrow is waiting for you.
(sing twice)

Mister Birdie, are you listening?
Mister Birdie, are you listening?
Mister Birdie, are you listening?
'Cause Mr Scarecrow's there!

Mister Scarecrow, Mister Scarecrow,
Mister Scarecrow is waiting for you.
Mister Scarecrow, Mister Scarecrow,
Mister Scarecrow is waiting for you.
(sing twice)

Don't go pecking in the cornfield,
Don't go pecking in the cornfield,
Don't go pecking in the cornfield,
'Cause Mr Scarecrow's there!

Mister Scarecrow, Mister Scarecrow,
Mister Scarecrow is waiting for you.
Mister Scarecrow, Mister Scarecrow,
Mister Scarecrow is waiting for you.
(sing twice)

The Sun Came Shining Down

The sun came shining down,
The sun came shining down,
The sun came shining down,
And the crops grew higher and higher,
Higher and higher.

The rain came tumbling down,
The rain came tumbling down,
The rain came tumbling down,
And the crops grew higher and higher,
Higher and higher.

The soil was rich and good,
The soil was rich and good,
The soil was rich and good,
And the crops grew higher and higher,
Higher and higher.

The sun came shining down,
The sun came shining down,
The sun came shining down,
And the crops grew higher and higher,
Higher and higher.
