Head of School: Karen Lintin

Lundy home learning - 09.10.26

It's been another busy week in Lundy Class. In English, we have been writing and editing our 'lesser spotted' pieces. These will soon be written up and on display in the hall for everyone to see 😊 In maths, we have been using formal methods for addition and subtraction, and have now moved on to working out interior angles of triangles. In history, we learned about the weapons using in WW1. In R&W, we learned about the foolish man, who built his house upon sand, and the wise man, who built his house upon rock, and how this story influences Christians.

Homework

Thank you for your continued support with your children's homework. This week, please complete the missing angle sheet. Tip: all interior angles need to add up to 180 degrees. You can choose which side is right for you 😊 please put your homework in the box by Friday 16th October.

Times Tables

Please practise your 7x table. You could use:

- TT Rockstars (there is a competition with Y4!)
- Online games e.g. [Times Tables Games for 7 to 11 year olds](#)

Reading reminder

Our whole school expectation is that parents support their child to practising reading at home five times per week. This could be 5-10 minutes of reading, five times across the week. These reads can be logged in their reading journals - please bring these in on a Friday.

PE day

Our PE day is Friday.
