Tarka home learning

We have had a fantastic start to the final half term of year 1!

On Tuesday, we visited Exmoor Zoo with Barum class. We had a brilliant day visiting all of the animals and learning more about their habitats from one of the zookeepers. The children behaved extremely well and had lots of fun! Pictures of our day are now on the Tarka blog.

In English, we wrote a thank you card to Exmoor Zoo, telling them about our favourite animals that we visited there. We then revisited our mammal facts from before half term, editing them to ensure that they make sense, and then improving them with adjectives.

In maths this week, we have learnt how to tell the time to o'clock and half past the hour. We made our own clocks to practice showing these times.

In PE, we are now starting to prepare for Sports Day later in the term. We practiced our sprinting, thinking about how we can be successful with this. In science, we looked at the human body, identifying and labeling all of the different features.

The children have completed the Phonics Screening Check this week. The scores will now be sent off, and results sent home soon.

Home learning

As we have been learning how to tell the time this week, please practice this at home with your child, reading times to o'clock and half past. There is also a worksheet in their reading folders that can be completed.

Reading

We expect everyone to be reading for a least five minutes a day.
