

Executive Head Teacher: Melanie Smallwood
Head of School: Karen Lintin

Lundy Class

The Y6 children have been focusing on ratio and proportion in maths, while the Y5's have been investigating prime numbers and prime factors. The children have written some super individual reports about a celebration of their choice - either imaginary or real. In art they have been creating texture by using fabric to enhance our practice collages. We re-created the opening of Hans Zimmers 'Earth' composition using instruments and voices - we also learnt about the position of notes on the stave. We have been writing conclusions in science; learning to link it back to our original question and hypothesis.

Y5 Home Learning

Reading

We expect you to read at least 5 minutes every day - you can read to an adult (as it's always good to read aloud to practise your expression) or talk to your adult about what you have read.

Y5 Chinese New Year

As it is Chinese New Year, find out about the year you were born linked to the Chinese Calendar. Read through the information on the following web page:

(This can count as one of your weekly reads!)

<https://www.kids-world-travel-guide.com/chinese-new-year.html>

Try to answer these questions:

- How is the Chinese New Year different to the UK new year celebrations?
- How is each of the Chinese years named?
- What do Chinese families do at Lunar New Year?
- What colour has special importance for the Chinese at Lunar New Year?
- What happens on the final night?

Maths

- **Complete mymaths learning.**

Y6 Home Learning

Reading

We expect you to read at least 5 minutes every day - **your SATs reading will count as 2 of your weekly reads so please record it in your home learning book.**

Maths

Choose any times table that you need to get better at and practise it.

Complete the following pages of your SATs books:

English Reading- pages 28, 29, 30, 37, 38 and 39

Maths SATs Questions - pages 42 and 43

Arithmetic - page 2, 15 and 19

Please bring in your SATs books on Wednesday ready for Thursday. If you need any help with it, I am available any lunchtime.

Keep up the great learning - I am very proud of you!
